These oils have been approved for use in Fruitland Vacuum Pumps. Use of these oils will maintain the vacuum pump warranty as well as extend the life of the vacuum pump and ensure proper performance and lubrication.

When operated properly, Fruitland vacuum pumps will run cooler, use less oil and provide much longer service than any other rotary vane vacuum pump.

*Monolec Compressor Oil is colored red and should not be confused with transmission fluid.

¹ Recommended for the best performance and lubrication at all temperature levels.

OILS OR FLUIDS THAT ARE NOT APPROVED FOR USE IN FRUITLAND VACUUM PUMPS

BRAKE FLUID

HYDRAULIC FLUID
